Christian Life Bible Study for the Restoration of God's Image

By Dr. White Young Jeon

Introduction:

Greeting in Christ. I am glad to meet you again in Christ. I appreciate pastor Pen Ra and his church members for his inviting to share the wonderful truth, the restoration of God's image, to you. May the grace of God be with our meeting.

We will think that today 4 classes focus on my main subject, Humble obedience life in order to know how to live true Christian life. We should know five subjects, 1. Humble obedience Life 2. Self – Denial Life, 3. Cross- bearing life with patience , 4. Hope Life of the future, 5. enjoying the present life in self-control. Really we concern to live as a true Christian in our day. There are five truths, as followings: 1. The Scripture is the Norm of new life. 2. Holiness is the important principle 3 Holiness is to obey to Christ 4 Only external Christianity is not sufficient 5 we need the spiritual development. Among them I want to say about humble obedience life.

In one short word, the true Christian life has the foundation, humble obedience. What is it? Without it we cannot keep true Christian grace actually. Jesus says, "... Whoever would be great among you must be your servant and whoever would be first among you must be slave of all. For even the son of man came not to be served but to serve, and to give his life as a ransom for many." (Mk 10:43-45) As we believe in Jesus as my Lord, first we learn humble heart out of God. Matt 5:3. "Blessed are the poor in spirit, for there is the kingdom of God." Here "poor (putokos)" means the absolute poverty. Without any helps, he shall be destroyed. The state is spiritual poverty, that is, "I realized that I am a sinner in his heart. Then he repents his sins and accepts Jesus's merit directly in his heart. Just it is humble state. Then he obeys the word of God unconditionally, like a hungry man eats some food without shame. Just like Isaiah looked up at the throne and the Lord, he was fallen down on the ground, "And I said: Woe is me! For I am lost, for I am a man of unclean lips, and I dwell in the midst of a people of unclean lips for my eyes have seen the king, the Lord of hosts." (Ish 6:5) Then he was cleaned by God (Ish 6:6-7). So

every Christian starts out of the humble state. Then God provides the kingdom of God in them.

The Scriptures teach several lessons for the humble obedience life.

First. We should know the standard of our life, the Word of God, the revelation.

What is the word of God? It is the Scriptures, the Bible that consists of 66 books. Actually all Scriptures which Paul points were inspired by Holy Spirit. II Tim 3:16 says, "All Scripture is breathed out by God and profitable for teaching, for reproof, for correction, and for training in righteousness." It is the word of God that is the standard of our thought, our attitude, our personality and our present solution. So we are grown up by the Scriptures. Do you believe in it? If you do not admit the standard in your heart, you are not a Christian, or, are not a weak Christian.

So the Psalmist stressed four characters of the Scriptures, 1) the divine authority, (Jer 23:29, Heb 4:12 I Pet 1:23) 2) the salvation (Heb 5:13-14) 3) the purity (Ps 119:105 119:130 Acts 17:11)

4) The sufficiency (Heb1:1-2 Rev 22:18-19)

As we observe them in Psalm 19:7-10, we find them in detail.

1) Verse 7 - the character of perfection = reviving soul, wisdom

2) Verse 8 – the character of purity = rejoicing the heart, pure, enlightening the eyes.

3) Verse 9 – the character of eternity =clean, enduring forever, true, righteous

4) Verse 10 - sweeter than honey, the character of high value

So as we read the Scripture, we got the experience of sweetness, freshness, passion, vision like the fire, the water, the honey, the abundance and the power.

Did you experience them in your heart?

When we read the Scriptures we should find two things, to believe and to do.

When we read it humbly to obey the word, the Holy Spirit works in us.

We should admit that Scriptures is the standard of our whole life. We should not give up this assurance in our heart.

Second, we should admit that holiness is the master key in true Christian life.

1. Holiness means the separation out of the world. – The saints mean holy person.
2. Holiness belongs to God for only he is holy. (Lev19: I Pet
3. Holiness means the restoration of God's image.

God's image is God's character, righteousness, mercy, faithfulness. In a short word it is called For holiness.

What is Christian life? As we live in the world we walks in holiness like holy God.

4. But we cannot be holy for our own sins. How can we be holy? By following Christ and by obeying the word of God, we can live to be holy.

5. If Bible says, we should obey soon it with humble heart because it is our standard.

Ex: As we want to know my weight, soon we should go to standard, our measurer. As we know my figure soon we should go to the mirror.

Conclusion: We focus to live as a true Christian. How? We have to go to the Scriptures and holiness in our lives. Then we can live true Christian life.

Lecture 2. True Christian is to obey Christ.

Text: John 16:10 "If you keep my commandments, you will abide in my love, just as I have kept my father's commandments and abide in his love."

Introduction:

At the first class we thought that true Christian life is to live according to the Scriptures, the Word of God, and holiness is the master key in true Christian life. Now, we treat the other theme, what holiness is. Holiness is to obey to Christ

First, what is holiness?

It means the separation out of the world and the sins. It is the state not to commit sins. In other word, holiness means to walk with Trinity God, the father- God, the Son- God, and the Holy Spirit- God.

Ex: Enoch walked God for 300 years, so he was lifted up to heaven without death. (Gen 5:22, "Enoch walked with God, and he was not, for God took him.")

Christ always lives with his father in his public ministry in the world. (Jn17:4 ""I glorified you on earth, having accomplished the work that you gave me to do.)

He revealed the example of holiness to us. And he requested that his people shall be purified by the truth because it is holy. (Jn 17:17 "" Sanctified them in the truth your word is truth.)

Ex: the first Adam lost holiness at Eden. So he lost the character of holiness, that is, the image of God, righteousness, mercy and faithfulness.

= As we serve the church we should keep holiness in our lives. We should settle holy state at every area, holy purpose, holy method, holy relationship etc. Ps 15:1-5 reveals some quailed conditions to live the holy place. What are they? We see 10 elements (the blameless, the righteous, saying truthfully, not utter slander, having good relationship, not criticizing etc.) out of the text. In a summary word is holiness. Only holy person can stand up before God.

In Cambodia situation can the condition shall be reduced in our lives? No. For God is holy we should be holy. Another way did not be mention before God.

= Although we live in the much tough conditions, we should not give up this demand.

Second, Holiness makes the restoration of God's image.

- What is the restoration of God's image? Because Adam lost the image of God for committing sin momentarily, So Adam and his descendant was born as the sinner, which has the image of Satan, not the image of God. God's image means the character of God, We points three things, righteousness, mercy and faithfulness. After corruption the divine image was transformed into Satan's image, unrighteousness, violence, unfaithfulness.
- Then as the man tries to transform into God's image by false worship, good behavior, philosophy, religions etc., he cannot arrive at holiness. Then God provide a way that is his begotten son, the descendant of woman to save us out of our curse. (Gen 3:15, Gal 4:4)
- Finally as Jesus Christ came on the earth 2000 years ago, he died on the cross for our sins and rose out of the death. Then he transformed our image into the image of Holiness, righteousness, mercy and faithfulness. So as we were born again through repentance and faith by the work of Holy Spirit. So the Christian has the restoration of God's image, holiness, so he was called for saint, the people of holiness.
- Next, we should think of how to keep holiness in our daily life. The Scriptures says that Holiness is to obey Christ.
- Ex: Peter learnt the obedience to Christ at Gethsemane. Christ did not want to receive cross. But he prayed "not my will but your will." Christ obeyed God's will until the spot of death for accomplish the complete redemption. Hebrews 5:7 said, "In the day of his flesh, Jesus offered up prayers and supplications with loud cries and tears... ". His obedience is to keep holiness. In our life we should learn to obey Christ and his words in our heart. Then we can overcome all problems and enjoy the world of holiness. What Christ prepared for us we will enjoy them actually. Cambodia church needs this grace, obedience to Christ and to enjoy holiness of God.

Third, Holiness is to obey Christ and his word.

We should obey Christ. We have to admit the Lordship of Christ any time any place.

Ex: Peter found the truth at Galilee Sea, as he obey the order of Christ cast your net into the water. Then he got much fishes in it, He confessed, "Lord, leave out of me for I am sinner. Then the Lord "you shall will the men". When he obeyed his word, he got miracle and he know who Jesus is, and found his identity and he wanted to stay in holiness.

Cambodia church needs this experience. Without knowing Christ no holiness, without obedience to Christ and His word, no holiness, no blessing.

Conclusion:

= Holiness is our target, Obedience is our activities and Obedience is our power. Then the living God will work in us powerfully.

Ex: When did the water change into wine in wedding march? By the servants obey the small order, and then miracle was happened. Everybody saw the glory of Christ.

In summary, now Holiness is obedience. Humble obedience is the core in true Christian life. Then he knows the true blessing in his heart.

Lecture 3. True Christian needs the spiritual development

Text: Col 2:6-7

Introduction:

In Cambodia mission field, many heresy: Jehovah witness, Mormon, Christian Science and New world and the others, is working around the church. Then we should discern them and we should not accept them to escape our death.

In the time of John, Gnosticism heresy works in the church. Then John warned the church to be careful of heresy, perfectionism. Ex: as he washed at public bath, as he listened to the information that a heresy entered into the same place, he soon escaped to outside.

Really does Cambodia church grow up in Christ well? What is your purpose of church life? Secular blessing, richness, health, power, the long life and honor? Where is the blessing of Abraham? (Gen 12:3) Where is our spiritual blessing (Eph 1:3)? It is humble obedience life.

But Satan stimulates us to be arrogant life in our lives. Then how can we overcome the crisis. We have to do two things.

1. We should admit that only external Christianity is not sufficient.

Now, many ceremony, many decoration etc. but we have to be careful of heresy teaching and heresy activities.

Ex: In America a pastor got healing gift. Then I attended into his meeting. Then he neither did nor appeared at that time. After one hour is passed away, certain appeared on the pulpit in replace of him. He announced that after he gave some water swaps to the congregation, and announced that it was healing water for he prayed it, if any patient washed his disease part, he shall be healed. It was fraud, after I saw TV; he was arrested by policeman for financial issue. As the man pursues on the false teaching, his final states will be destroyed.

Ex: I am worry about Cambodia church for unsound baptism issue. Why did the church permit that the lay person give ceremony of baptism? They claim that like Deacon Philip gave baptism every Christian can give baptism to the born again man in the name of the trinity God. Actually Philip and John Baptist were not lay persons but apostolic level. We should give baptism with responsibility to take care of true growth of true Christian in Christ by teaching the Word of God making them obeyed the Word of God and giving much prayer for him. So the traditional church stresses that only ordained pastor can give ceremony. Although we admit some part in the mission field, we should be careful of ceremony with much responsibility. We should not put our sufficiency on the external ceremony, church decoration etc.

Therefore we should hate the hypocrite about prayer, offering, preaching, teaching and sacraments. Mt 6:6 said " ". And continuously Jesus warned is to be watch out the hypocrite to fasting, alms, praying etc.

Cambodia church should fight against the hypocrite intensely. I mean to pursue faithfulness. May the grace of passion to follow the faithfulness be with you?

2. We should grow up towards the spiritual development.

In order to overcome against the hypocrisy, we should grow up until the measure of Christ. It means to need spiritual development. Col 2:6-7 described our spiritual development like the growth of tree and establishing of a building.

What is developing process? We can find 4 things in the passages.

- 1) Regeneration – to be born again
- 2) Receiving the Word – to obey the word of God.
- 3) Rooting into the soil – to accept the word of God by faith
- 4) Growing up in tree – to imitate Christ. – Righteousness, mercy and faithfulness.
- 5) Thanksgiving life. – Always rejoice, give thanksgiving in any circumstance, and pray without ceasing. (1 Thessalonians 5:16-17)

It means that we become a faithful disciple of Christ. (Mat 28:19-20) by doing evangelism, baptism (church life), teaching and obeying. He enjoys Immanuel. (God be with us)

Conclusion:

Cambodia church has 14000 villages in 26 provinces. We should become a strong disciple of Christ and can proclaim the gospel to them. I heard of some information, we need that I want to

challenge you to evangelize this villages and commune and district with gospel, moreover with humble obedience attitude when we apply them, we shall see Christ's work in them actually. Mk 16:20 says, " And they went out and preached everywhere, while the Lord worked with them and confirmed the message by accompanying signs." As we obey evangelism in humbly, the resurrected Lord went ahead and worked for us. May the grace of God be with you? (the end)
